***FPM REMEDIATIONS AWARDED \$4 BILLION CONTRACT WITH
AIR FORCE CENTER FOR ENVIRONMENTAL EXCELLENCE
(AFCEE) WORLDWIDE ENVIRONMENTAL RESTORATION AND
CONSTRUCTION***

November 21, 2003 – FPM Remediations has entered into a \$4 Billion, five year contract with the Air Force Center for Environmental Excellence, Worldwide Environmental Restoration and Construction.

The scope of work under this contract encompasses supporting primarily environmental activities necessary to remedy site conditions, operate environmental systems, and to provide construction and ancillary services as necessary. Construction and engineering activities may include environmental requirements, military family housing, light commercial projects, fuel projects, traditional military construction, community development projects, and emerging requirements such as Homeland Security and force protection projects.

“This worldwide Environmental Services agreement between FPM Remediations and AFCEE solidifies our commitment as a prime supplier of Environmental Services to the Department of Defense”, says Kevin J. Phillips, CEO, FPM Group.

FPM Group was established in 1968, and has grown into a multi-faceted, full service engineering firm, providing a wide range of engineering and environmental services to both private industry and governmental agencies, with 12 offices nationwide. We are Licensed Professional Engineers in New York, New Jersey, Connecticut, Pennsylvania, Maryland, Massachusetts, Virginia, West Virginia, North Carolina, Alabama, Florida, Texas and Washington.
