

FOR IMMEDIATE RELEASE

***FPM AWARDED \$1.1-2.75 BILLION DOLLAR CONTRACT WITH
the Air Force Center for Environmental Excellence (AFCEE)***

January 23, 2003 – FPM Group has been awarded a five-year \$1.1 Billion indefinite delivery, indefinite quantity contract, participating with 27 other contractors with the Air Force Center for Environmental Excellence (AFCEE). This worldwide contract will have the potential to perform studies in all 53 Air Force Bases throughout the world.

The scope of work to be performed includes Title I, Title II, and other A-E Services for environmental and traditional projects for the Air Force Center for Environmental Excellence. Included will be Environmental Restoration, Environmental Conservation and Planning, Environmental Quality, Design and Construction, and support with other areas and emerging markets. In addition, it includes support on DESC fuel facilities UXO, force protection, sustainability planning and information technology.

“This contract reinforces FPM’s relationship with the Air Force, and allows us to efficiently provide a wide-range of vital services worldwide,” says Gaby Atik, Project Manager, FPM Group.

FPM Group was established in 1968, and has grown into a multi-faceted, full service engineering firm with 12 offices nationwide, providing a wide range of engineering and environmental services to both private industry and governmental agencies. We are Licensed Professional Engineers in New York, New Jersey, Connecticut, Pennsylvania, Maryland, Massachusetts, Virginia, West Virginia, North Carolina, Alabama, Florida, Texas and Washington.
