FPM GROUP AWARDED CONTRACT WITH U.S. COAST GUARD

JANUARY 30, 2004 – FPM Group has been awarded an Indefinite Delivery, Indefinite Quantity contract with the United States Coast Guard, First District to provide professional Architect/Engineering services.

FPM will provide architect/engineering services, including multi-disciplined building design, Asbestos/Lead paint surveys, utility surveys, surveying, interior design and space planning, and report and recommendations for alternatives.

“We are very excited to be working with the US Coast Guard” says Chris Schwarz, P.E., Facilities Department Manager. “This award is a vote of confidence by the Coast Guard in the ability of FPM to provide them with the architectural and engineering support they need.”

FPM Group was established in 1968, and has grown into a multi-faceted, full service engineering firm, providing a wide range of engineering and environmental services to both private industry and governmental agencies, with 12 offices nationwide. We are Licensed Professional Engineers in New York, New Jersey, Connecticut, Pennsylvania, Maryland, Massachusetts, Virginia, West Virginia, North Carolina, Alabama, Florida, Texas and Washington.
