

FOR IMMEDIATE RELEASE

FPM GROUP AWARDED \$5,000,000 CONTRACT WITH UNITED STATES POSTAL SERVICE

May 17, 2004 – FPM Group has been awarded a one year indefinite quantity A/E contract with a four year option from the United States Postal Service, totaling \$5,000,000, covering the New York City and Long Island area.

Services to be performed include preparation of contract documents, including drawings and specifications for repair, restoration, expansion, and alterations. Additional services include preparation of cost estimates, building investigation, code compliance, and construction support services.

FPM Facilities Department Manager Chris Schwarz, P.E.: “FPM’s vast Architectural and Engineering experience will prove invaluable in assisting the USPS to meet their building, construction, and capital improvement objectives.”

FPM Group was established in 1968, and has grown into a multi-faceted, full service engineering firm with 12 offices nationwide, providing a wide range of engineering and environmental services to both private industry and governmental agencies. We are Licensed Professional Engineers in New York, New Jersey, Connecticut, Pennsylvania, Maryland, Massachusetts, Virginia, West Virginia, North Carolina, Alabama, Florida, Texas and Washington.
